

Resume

Hassan Behboudi

Birth : 1957 Rudbar

Email: behboudi_dr@yahoo.com

Education:

-Shapoor High school, Rasht, Guilan

-1977-1986: Medical school with Honor: Isfahan University of medical sciences, Isfahan, General physician

-1989-1992: Resident of Ophthalmology, with honor, Tehran University of - medical sciences, Tehran ophthalmology

-1993-1994: Shahid Beheshty University of medical sciences, Tehran Fellowship in Retina

Associations

-Head of physician faculty of Guilan University of Medical Sciences for 3 years

-Vice chair of education of Guilan university of medical sciences for 2 years

-Head of Guilan University of Medical Sciences for 3 years

-Head of Guilan association of ophthalmology

-Member of Guilan University of medical sciences Board of Trustees

-Health minister representative in council of Planning of medical sciences

Congress and Presentation

1-Epidemiological, outcome and relative factors of Terson's syndrome in patients with subarachnoid hemorrhage, Euroretina 2019

2- OCT Biomarkers as Functional Outcome Predictors in DME Treatment, 2018, Tehran; IRAN

3-Central areolar macular dystrophy, 18th Euroretina congress retina, 2017; Vienna

4-Lensx and anterior Vitx Interior Lens PCIOL were effective treatment for patients with Alport syndrome ESCRS 2012 Congress –Milan

5- The assessment of Guilan Province Pediatricians Awareness about Criteria for Screening of Retinopathy of Prematurity 21nd Annual congress of the Iranian society ophthalmology 1390

6-Complication of injection and their management 1389, xx Annual Congress Of the Iranian Society of Ophthalmology.Tehran,IRAN.

10- Simple Lateral Canthoplasty For Entropion Repair

11- The Effect of Phacoemulsification with Posterior Chamber Intraocular Lens Implantation on Intraocular Pressure and Anterior Chamber Depth, 23rd Annual Congress Of the Iranian Society of Ophthalmology.Tehran,IRAN

12-Updates on Treatment of Age-Related Macular Degeneration 1398, Tehran; IRAN

13-The latest clinical updates on the management of retinovascular diseases, 24th annual Farabi seminar, 1397; Tehran

14-Vitreoretinal considerations in anterior segment surgery, XXVII Annual Congress of the Iranian Society of Ophthalmology 1396, Tehran-IRAN

15-What we learnt about the management of macular edema in retinal vascular diseases in the antivascular endothelial growth factor and corticosteroid era panel discussion, 22nd annual Farabi seminar, 1395

16-Updates of Ophthalmology, Eye Research Center of Guilan University of Medical Science 1395

17-Vitreous and retinal disease, Kermanshah;Iran 1395

18- Free papers: posterior Segment, XXVI Annual Congress of the Iranian Society of Ophthalmology 1395, Razi Convention Center, Tehran, Iran

19-Third international congress and 25nd annual congress of the Ophthalmological Association Tehran; IRAN 1394, Tehran; IRAN

20- The effect of local tranexamic acid on reducing of intra and post external dacryocystorhinostomy hemorrhage in patients with primary acquired nasolacrimal duct obstruction, XXV Annual congress of the Iranian society of Ophthalmology 1394, Razi convention center-Tehran-Iran

21-Advances and Innovation In Ophthalmology Guilan University Of Medical Science Ophthalmology Seminar 1393

22-Effect of Unilateral Intravitreal Bevacizumab Injection on Sustained Intraocular Pressure, XXIV Annual Congress of the Iranian Society of Ophthalmolog 1393, Tehran;Iran

23-Comparing the effect of propofol and isoflurane on IOP in prone positionsurgeries , XXIV Annual Congress of the Iranian Society of Ophthalmolog 1393, Tehran;Iran

24-Visual Outcome and Ocular Complications of Triamcinolon acetonide – assisted anteriorvitrectomy during complicated Cataract surgery with vitreous loss XXIV Annual Congress of the Iranian Society of Ophthalmolog 1393, Tehran;Iran

25-Correlation of Corneal elevation and difference elevation as measured by Scheimplug Corneal imaging with severity of Keratoconus". XXXII Congress of ESCRS 2014

26-vitreous and retina seminar 1393 Guilan University Of Medical Science
Ophthalmology Seminar

27-Updates on Hypertension seminar 1393 Guilan University Of Medical Science
Ophthalmology Seminar

28-Updates on Retina and Ophthalmology 1393, Chabahar;Iran Guilan University
Of Medical Science Ophthalmology Seminar

29-Eye and Internal Disease 1393, Rasht; IRAN Guilan University Of Medical
Science Ophthalmology Seminar

30-Ocular manifestations of systemic disease 1393 Guilan University Of Medical
Science Ophthalmology Seminar

31-Diabetes complications program 1393 Guilan University Of Medical Science
Ophthalmology Seminar

32-Thematic focus of contact lenses 1393 Guilan University Of Medical Science
Ophthalmology Seminar

33-Optic nerve disease 1393 Guilan University Of Medical Science
Ophthalmology Seminar

34-strabismus and updates on optic and refractive surgery 1393

35-Retinal Diseases 1392

36-Complications of Diabetes 1392

37-Ocular manifestations in sarcoidosis 1392

38-Two-Day Seminar on Sarcoidosis 1392

39-Optometry with thematic focus of contact lenses 1392

40-13th Annual Congress of the Ophthalmological Association 1392

41-Advances and Innovations in Ophthalmology 1392

42-Diabetes, Complications and Treatment 1392

43-Advances and innovations in ophthalmology 1391

44-Vitreoretinal considerations in the surgery of myopic eyes 1391

45-DME: Preferred practice in management of diabetic macular edema:
Laser V/S pharmacotherapy 1391

46-The relationship between cataract surgery and AMD 1391

47-Prevalence of visual impairment in car accidents .Amiralmomenin
Hospital, Rasht 1391, Twenty-second Annual Congress of the Iranian
Ophthalmological Association

48-Common cancers in Gilan, 1391

49-Retinal vascular diseases 1391

50-Incidence and Risk Factors of Retinopathy of Prematurity in Amiralmomenin
Hospital,Rasht 1390

51-Anatomy in eye surgery 1390

51- Familial Drusen with Bilateral Cystoid Macular Edema 1389

52-Management of advanced diabetic eye disease 1389

53-prophylaxy for post-operative endophethalmitis 1389

54-Techniques and complications of ocular angiography 1389

55-Intraocular inflammation and tumors 1388

56- Cystoid macular edema in a case of scleral thining after pterygium surgery and mitomycin-c 1384

57-Technique of phacoe after p.plana vitx in phakic eyes 1385

58-Chloroquine toxicity in 9 uncontrol rheumatoid arthritis patients 1384

59- Posterior capsule opacification after cataract surgery and loL implantation in patients with fuchs Heterochromic iridocyclitis and patients without intraocular inflammation 1382

60- Laser Retinopexy versus cryopexy for Treatment of peripheral Retinal Breaks 1382

61-Rhegmatogenous Retinal Detachment following LASIK 1382

62- Evaluation of the results of anterior peripheral iridectomy and intraocular lensectomy-vitreotomy in patients with traumatic cataract in patients referred to the Guilan DP ophthalmology center from 1374 to 1379, 1381

63-A case report of steroid angioedema with pseudoxanthoma elastica and choroidal formation 1381

64-Comparison of opacity of posterior lens capsule in cataract + lens surgery in diabetic and non-diabetic patients 1381

65-The effect of laser surgery in patients with serosomacular detachment with optic nerve pit 1376

66- Ocular complications of systemic hypertension and diabetes mellitus during pregnancy 1377

Thesis with medical students

1- Effect of atropine 0.1%&0.01% eye drops in natural course of myopia progression in Children with 6 to 18 year olds

2-Investigation the incidence of adverse reactions following fluorescein rapid I.V. administration in comparison with slow infusion in retinal angiographic studies

3-The study of Intraocular Pressure changes after Nd:YAG laser Posterior Capsulotomy in Patients with Intraocular Lens , in Amir AL–Momenin Hospital , Rasht, 2004-2005 AC.

4-visual disorders in drivers causing accidents 2012

5-Agger Nasi Cell (ANC) frequency and radiologic findings in Dacryocystorhinostomy candidates in Amir hospital 2017

6-The Effects of Local Tranexamic acid on Reducing of Intra and Post External Dacryocystorhinostomy Hemorrhage in Patients with Primary Acquired Nasolacrimal Duct Obstruction 2017

7-Relative frequency of successful External Dacryocystorhinostomy in patients with primary acquired nasolacrimal duct obstruction without lacrimal sac flap. Amiralmomenin Hospital, Rasht, 1390-92

8-The study of incidence, outcome and relative factors of Terson syndrome in patients with sub arachnoid hemorrhage in Poursina hospital, Rasht 2016

9- A comparison changing short time intraocular pressure (IOP) fluctuation in intravitreal bevacizumab injection with and without acetazolamide oral drug in amir almomenin hospital 2020

10- Effect of atropine 0.1%&0.01% eye drops and placebo in natural course of myopia progression in Children with 6 to 18 year olds 2017

11- Predictive role of OCT biomarkers in treatment of the diabetic macular edema after interavitral injection of Avastin (Bevacizumab) 2018.

12-Estimation of carrier frequency of p.Gly61Glu mutation of CYP1B1 (primary congenital glaucoma causing gene) in Talesh distinct of Gilan province

13- Estimation of carrier frequency of p.Arg368His mutation of CYP1B1 (primary congenital glaucoma causing gene) in the east of Gilan province
